at www.nheconomy.com**

Governor Craig Benson and Public Service of New Hampshire are giving away a quarter of a million dollars to aspiring entrepreneurs and business owners looking to grow their business in New Hampshire. The state is opening its doors to the most promising business prospects and awarding up to \$130,000 in startup cash to the best business plan.

Start Up New Hampshire allows entrepreneurs to take advantage of the state's innovative business climate and extensive statewide business resources. There are opportunities for all kinds of new businesses, students and entrepreneurs to locate their business in New Hampshire, but there's no chance if you don't jump at it.

\$250,000 in total prize money will be awarded, with the opportunity for one business to win \$210,000.

- \$130,000 for best overall business plan
- \$40,000 prize for best Biomedical/Life Sciences Business Plan
- \$40,000 prize for best Financial/Financial Services Business Plan
- \$40,000 prize for best New Hampshire North Country Business Plan
